2 FOLLOWS [EFFECTIVE JULY 1, 1999]: Sec. 2. (a) Except as
3 otherwise provided in section 5 of this chapter, an individual who on
4 March 1 of a particular year either owns or is buying a homestead
5 under a contract that provides the individual is to pay the property taxes
6 on the homestead is entitled each calendar year to a credit against the
7 property taxes which the individual pays on the individual's homestead.
8 However, only one (1) individual may receive a credit under this
9 chapter for a particular homestead in a particular year.
10 (b) The amount of the credit to which the individual is entitled
11 equals the product of:
12 (1) the percentage prescribed in subsection (d); multiplied by
13 (2) the amount of the individual's property tax liability, as that
14 term is defined in IC 6-1.1-21-5, which is attributable to the
15 homestead during the particular calendar year.

deductions from assessed valuation which the individual claims under IC 6-1.1-12 or IC 6-1.1-12.1 for property on which the individual's homestead is located must be applied first against the assessed value of the individual's homestead before those deductions are applied against any other property.

(d) The percentage of the credit referred to in subsection (b)(1) is as follows:

YEAR	PERCENTAGE OF THE CREDIT
1996	8%
1997	6%
1998 through 2001 and thereafter	10%
2002 and thereafter	4%

However, the property tax replacement fund board established under IC 6-1.1-21-10, in its sole discretion, may increase the percentage of the credit provided in the schedule for any year if the board feels that the property tax replacement fund contains enough money for the resulting increased distribution. If the board increases the percentage of the credit provided in the schedule for any year, the percentage of the credit for the immediately following year is the percentage provided in the schedule for that particular year, unless, as provided in this subsection, the board in its discretion increases the percentage of the credit provided in the schedule for that particular year. However, the percentage credit allowed in a particular county for a particular year shall be increased if, on January 1 of a year, an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. The amount of the increase equals the amount designated in the ordinance.

(e) Before October 1 of each year, the assessor shall furnish to the county auditor the amount of the assessed valuation of each homestead for which a homestead credit has been properly filed under this chapter.

(f) The county auditor shall apply the credit equally to each installment of taxes that the individual pays for the property.

- (2) the residence is located in Indiana;
- (3) the individual has a beneficial interest in the taxpayer;
- (4) the taxpayer either owns the residence or is buying it under a contract, recorded in the county recorder's office, that provides that the individual is to pay the property taxes on the residence;

1 and
2 (5) the residence consists of a single-family dwelling and the real
3 estate, not exceeding one (1) acre, that immediately surrounds
4 that dwelling.
